

Thomas Efferth

- 2009: Chair of the Department of Pharmaceutical Biology (full professorship).
- 2021: Director of the Institute of Pharmaceutical and Biomedical Sciences.
- 2022 Visiting professor (“professional visitor”) at the McLean Hospital, Harvard Medical School, Boston, USA.
- Honorary professor at several universities (Northeast Forestry University Harbin, Zhejiang Chinese Medical University Hangzhou, Zhejiang University of Science and Technology Hangzhou, Chinese University Hong Kong, Baptist University Hong Kong, Vellore Institute of Technology)
- Selected Awards: Prize of the Southwest German Association for Medicine (1991), Willmar-Schwabe-Award of the German Society for Medicinal Plant Research (2006), citizen medal of the City of Heidelberg, Germany (2008), CESAR Award for Translational Oncology (2011), *Qihuang* International Award of the Chinese Association of Chinese Medicine (2017). Since 2018, he is a full member of the World Academy of Sciences.
- 770+ PubMed-listed papers (Hirsch-factor: 98; citation rate: 51,000; acc. to Google Scholar), including *Lancet Planet Health*, *Lancet Respir Med*, *Nature*, *Cancer Res*, *Clin Cancer Res*, *Blood*, *Trends Pharmacol Sci*, *Biotechnol Adc*, *Sem Cancer Biol*, *Med Res Rev* etc.
- Research focus on:
 1. Systems biology and molecular pharmacology of natural and synthetic compounds against drug-resistant tumors and infectious diseases (basic research)
 2. Predictive and prognostic markers for personalized medicine (translational research)
